

# DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst). Thursday, 08 February 2024 (Morning)

## REGIONS

## UNPLANNED MAINTENANCE

### UPDATE:

The Johannesburg Water team is battling to get the water pressure down. As such, Rand Water has been requested isolate (close) other valves on the supply side so that the teams can begin with welding.

**Areas affected:** City Deep and all extensions, Prolecon and all extensions, Moffat View, Unigray, Elandspark, Kenilworth, Regents Park, Turffontein, and Rosettenville.

**Street names:** All streets.

**Start date and time:** 7 February 2024 at 10:00

**End date and time:** 8 February 2024 at 18:00

**Impact on customers:** No water

**Reason for interruption:** Repair of 700mm diameter inlet pipeline to the Forest Hill tower and reservoir

**Alternative water supply:** Water tankers will be provided if necessary.

### Burst pipe in Atholl

Water has been isolated (closed) to conduct repairs on a 600mm pipe at corner Forrest Road and Pretoria Avenue. Customers in the Illovo tower and Illovo reservoir zones will be affected.

#### Affected areas include:

Illovo, Sandown, Sandton, Morningside, Morningside Manor, Rivonia, Riverclub, Strathavon, Dunkeld West, Hurlingham, Hyde Park, Atholl, Inanda, Benmore Gardens, Riverclub, Craighall, Sandhurst, Wendywood, Parkmore, and surrounding areas.

There is no estimated time for completion. Water tankers will be provided to affected areas. Further updates will be provided when they become available.

# PLANNED MAINTENANCE

**Areas affected:** Aeroton; Ormonde; Ormonde View; Orlando East; Orlando West; Diepkloof, Diepkloof Extension; Diepkloof extensions 2 and 10; Baragwanath Hospital; and Doctor Matsheke Hospital.

**Street names:** All streets.

**Start date and time:** 2 February 2024 at 10:00 (pre-shutdown activities will begin on 31 January).

**End date and time:** 9 February 2024 at 20:00 (post-shutdown activities will end on 10 February).

**Impact on customers:** Low pressure to no water (particularly high-lying areas).

**Reason for interruption:** Structural assessment and Inspection on the reservoir and cleaning.

**Alternative water supply:** Water tankers will be provided to high-lying areas, as and when necessary.
