

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst). **Monday 15 July 2024 (Afternoon)**

UNPLANNED MAINTENANCES

Discovery and Horizon update

Johannesburg Water is aware of the water supply disruptions in some parts of Roodepoort.

A Rand Water team is changing a bulk meter in Discovery. As a result, customers are experiencing poor pressure to no water in some parts. The areas affected are Discovery, Horizon, Ontdekkers Park, and surrounding areas.

There is currently no estimated time for completion. Further details will be provided as and when it becomes available. Stationary tankers are being arranged and the locations will be communicated with the relevant ward councillors.
