

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Monday, 27 January 2025 (Afternoon)

UNPLANNED MAINTENANCES

Burst pipe: Killarney

The Johannesburg Water team is still busy with repairs to a burst pipe in Killarney. Although there has been great progress, repairs have taken longer than previously communicated due to material required.

To enable the repairs the water system has temporarily been shut potentially causing low water pressure or no supply.

Affected areas: Houghton, Orange Grove, Abbotsford, Killarney, Saxonwold, Parkwood, Rosebank, Dunkeld, Parktown North, Birdhaven, Athol Aoklands, Parkview, Forest Town, Hyde Park, Dunkeld West, Riviera, Illovo, and Parkhurst.

Estimated time of completion is 16:00

19 Coleraine Drive (Morningside Reservoir outlet will be isolated)

Streets Affected: All streets

Start date and time: 27 January 2025 at 23:00

End date and time: No estimation

Impact to customers: No water during repairs

Reason for interruption: Repairs to burst 375mm pipe

Alternative water supply: Further details to be provided

Benefits to customers: Improve service delivery

Suburbs affected: Riverclub, Duxberry, Parkmore, Moodie Hills, Sunset Acres and Northern Acres

Rivonia Road and Grayston Drive

Streets Affected: All streets

Start date and time: 27 January 2025 at 09:00

End date and time: No Estimation

Impact to customers: No water during repairs

Reason for interruption: Repairs to burst 450mm pipe

Alternative water supply: Further details to be provided

Benefits to customers: Improve service delivery

Suburbs affected: Morningside, Starthavon, Sandown, Barlow Park

PLANNED MAINTENANCE

Hector Norris Pumpstation

Streets affected: All streets

Start date and time: 31 January 2025 at 18:00

End date and time: 3 February 2025 at 18:00

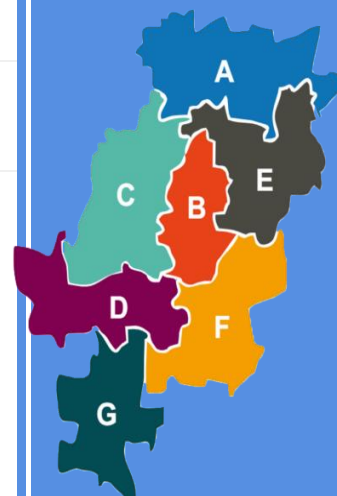

Impact on customers: No water

Reason for interruption: Installation of new isolation valves at Hector Norris Pumpstation

Alternative water supply: Further details to be provided

Benefit to customers: Improved service delivery
