

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Tuesday, 04 March 2025 (Morning)

Unplanned Maintenance

REGION E

Burst pipes in Sunninghill (Completed)

Water was isolated earlier today in order to conduct repairs to three major burst pipes on Airdlin and Malawi streets in Sunninghill.

All the burst pipes have been attended to, except for one on Airdlin Street, which a Johannesburg Water team is still working on.

Affected areas: Wendywood, Gallo Manor, Woodmead, and Sunninghill.

There is currently no estimated time for completion for the repairs on the third burst pipe.
