## Sewer Infrastructure Upgrades

### Region F

**Affected areas:** Kensington

**Streets affected:** Queens Street, Langerman Drive, Westmoreland Road, Nottingham Road, and Derby Road

**Start date:** 19 March 2026

**End date:** 15 May 2026

**Reason for interruption:** Replacement of existing 375mm sewer pipeline with a 400mm sewer pipeline

**Impact on customers:**

- Road closures and restricted access to parts of Queens Street
- Construction activity (excavation, machinery, noise)
- Possible temporary sewer-related inconveniences during certain stages of the work
- Occasional odours in the immediate work area

**Mitigation measures:**

- Johannesburg Water teams will be on-site throughout the project
- Honey sucker trucks will be deployed where it is necessary to manage sewer spillages
- Work will be monitored to minimise disruption to residents

**Benefit to customers:**

- Improved sewer capacity
- Reduced blockages and overflows
- Enhanced reliability of sanitation services
